Dear PI,

In an interaction of JUTA Office Bearers with all Principal Investigators of externally funded ongoing projects on 09.01.2017 at 2.30 pm in Seminar Hall of the Department of Computer Science and IT. In an attempt to simplify the financial procedures regarding utilization of project grant, a detailed discussion lead to the following recommendations:

1. Implementation of the General Financial Rules(GFR) be notified at the earliest.
2. PFMS related problems be discussed with Dr. Dinesh, Programmer in Finance Section.
3. Creation of separate Bank account for project grant.
4. Creation of separate Section having IT professionals for looking after externally funded projects in the University.
5. Sanctioned amount of the project grant be allowed to be utilized by PI.
6. Overhead grant of the project be kept in the departmental local fund 50% of which be at the disposal of the PI.

Kindly add on your suggestions regarding the problems being confronted by you in utilization of the project grant. It is requested to do the needful at the earliest possible so as to enable JUTA to present these recommendations to the Esteemed Vice Chancellor for implementation without any delay.

With warm regards

Sincerely

Dr. K. S. Charak
JUTA President
